

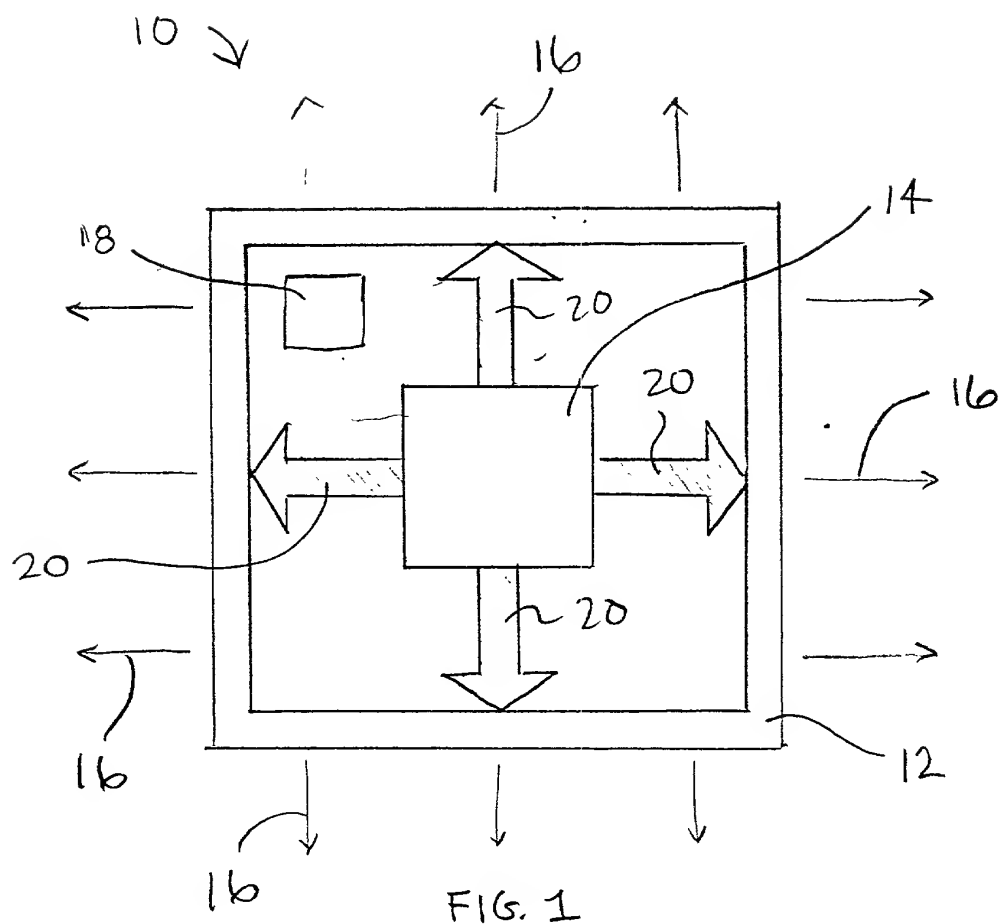

Figure 1 is a schematic representation of the experimental design. It shows a flowchart starting with 'Subjects' (N=12). The subjects are divided into 'Group 1' (N=6) and 'Group 2' (N=6). Group 1 is further divided into 'Subgroup 1a' (N=3) and 'Subgroup 1b' (N=3). Group 2 is further divided into 'Subgroup 2a' (N=3) and 'Subgroup 2b' (N=3). The flowchart also shows the sequence of tasks: 'Pre-test', 'Training', 'Test', and 'Post-test'. The 'Pre-test' is performed by all subjects. The 'Training' is performed by all subjects. The 'Test' is performed by all subjects. The 'Post-test' is performed by all subjects.
